

ARES MAXIMUM  
SECURITY AND MOBILITY

### Security and Mobility

Founded in 1999 and operating all over Europe, Ares Mobility stands for reliable services, high flexibility and customer satisfaction.

ARES MAXIMUM not only offers the maximum of security, but also in service. Our personnel undergo regular training units to meet the high expectations our customers have towards us. Our subtle presence and psychological competence ensure silent conflict management, as we not only work

efficient, but also according to the sophistication of the event. We understand ourselves not only as a service provider, but as a partner for the success of your event. This naturally entails acting not only in accordance to the letters of our contract, but also to the needs of the situation.

### Experience exclusive Mobility

Are looking for the „special something“ for yourself, your customers or business partners? For special occasions and prestigious events, we of-

fer you a chauffeur service with limousines that conform to the highest of standards. Our chauffeur- and limousine-service can be booked separately as well as in combination with our security services. Should you decide to book both services, you can be assured to obtain the good feeling of

your guests arriving safely to, and departing safely from the event, as well as being protected well while the event takes place. Our highly qualified chauffeurs can naturally be booked for your own fleet as well..
